

DEUTSCHE TELEKOM AG - JOIN US!

US & GROUP DEVELOPMENT, MERGERS & ACQUISITIONS

YOU WANT TO SEE HOW HOLISTIC, VALUE-ACCRETIVE PORTFOLIO MANAGEMENT WORKS? THEN YOU'RE RIGHT AT GROUP DEVELOPMENT!

ABOUT US

Value accretive portfolio management, short decision-making processes, constant portfolio analysis and disciplined capital allocation – that's what Group Development stands for. GD M&A holds the group-wide responsibility for all M&A transactions within Deutsche Telekom Group. This includes strategic assessments to optimize the Group's portfolio, business plan analysis for sell- and buy-side deals, company valuations, process management, financial due diligence, and contract negotiations. In addition, M&A evaluates financial Group impacts of inorganic transactions, makes investment recommendation to the Management Board, and supports the post-merger integration process.

Be part to join our team as an intern for 3-6 months or as analysts and associates. Take the chance to profit from the entrepreneurial work environment!

WHAT YOU CAN EXPECT

- Full member of a deal team
- Analyzing financial and operating information
- Financial modeling and valuation
- Market analysis of Telecommunications markets and related industries
- Drafting presentations and decision papers to the Group's senior management
