## *Investment Banking Internship Programme – Frankfurt*

### ABOUT US

Moelis & Company is a leading global independent investment bank that provides innovative strategic advice and solutions to a diverse client base, including corporations, governments and financial sponsors. We assist our clients in achieving their strategic goals by offering comprehensive integrated financial advisory services across all major industry sectors. Our team of experienced professionals advises clients on their most critical decisions, including mergers and acquisitions, recapitalizations and restructurings and other corporate finance matters. We serve our clients with over 850 employees based in 19 offices in North and South America, Europe, the Middle East, Asia and Australia.

### OUR INTERNSHIP PROGRAMME

We believe our Internship Programme offers a unique experience in the financial services industry. Interns have significant exposure to deal activity across industries in our key business areas. The culture of our firm is one of partnership, passion, optimism and hard work.

Moelis & Company Interns are expected to assume significant levels of responsibility requiring intellectual curiosity, motivation and analytical aptitude. Day-to-day responsibilities of an Intern include financial analysis, company and industry research, preparing client presentations and interacting with senior bankers.

Off cycle internships are available throughout the entire year (with a typical duration of 3 months).
